THEOPRASTOS

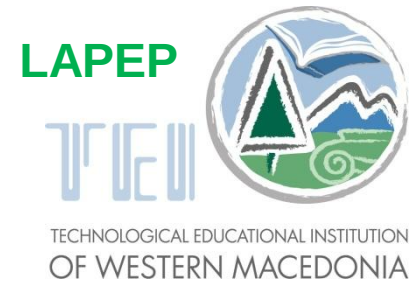

Quantification of PM10 emissions and concentrations from LOP in Western Macedonia (current and future activities)

Contracting Authority : West Macedonia Lignite Center
Mines Division
PPC S.A.

Contractor : LAPEP
TEI of Western Macedonia
/ Technological Research Center of W.M.

Scientific Coordinator: Prof. A.G. Triantafyllou

- Methodology
- Measurements - Analysis
- PM10 emission factors
- PM10 emissions per activity
- Total PM10 emissions from LOP in WM
- Distribution – Dispersion of PM10 emissions
- Future work

THEOFRASTOS - EQUIPMENT

Lemos, 01/2011
Intercalibration of PM10 measuring equipment
